

Canadian Fencing Federation

This announcement is to inform you that as of today, Thursday 15th July, 2010, Danek Nowosielski is no longer an employee of the Canadian Fencing Federation. This decision was made after consulting our funding partners; Own the Podium and Sports Canada. The funding of the CFF HP programme is not affected by this decision.

The CFF Board and our Executive Director Doug Hannum will be working closely with OTP to advertise and fill the vacant position of High Performance Director as quickly as possible. In the interim, Johanne Lacas as High Performance Coordinator and Doug Hannum will be handling the HP portfolio to assist the coaches with the implementation of their programmes.

Only questions regarding how this change may impact the CFF HP programme can be sent to ed@fencing.ca. Common questions will be answered in an open response on the CFF website. Individual questions will not be answered.

Steve Symons
for the CFF Board of Directors.

Correspondence should still be sent to the email address hpd@fencing.ca and the CFF will re-route this to our executive director Doug Hannum who will on an interim basis be looking after this portfolio. We shall notify you when we have appointed a new High Performance Director.

Regards,

Steve Symons
