

## CFF Position on the new 2009 Foil Mask

The CFF Board of Directors has adopted a wait and see policy with respect to the new foil mask introduced 1<sup>st</sup> January 2009. The new mask is not required at domestic tournaments in Canada. The situation will be monitored and when the mask has clearly become accepted and it is the norm, a revision to this policy will be made.

This decision does not affect International events hosted in Canada, which are subject to the rules and regulations of the FIE.

Adopted 9<sup>th</sup> February, 2009
